

7 Reasons To Learn With Edufront

Proven Track Record

The team at Edufront place close attention to the quality and delivery of our programmes to ensure that we make continuous improvements to our teaching and learning.

NIE-Trained and Subject Specialist Tutors

To ensure consistent and quality of delivery in our programmes, majority of our tutors are experienced NIE/MOE-trained and subject specialist tutors.

Small Group Classes

As part of our differentiated teaching strategy to ensure greater individualised attention to our students, we have kept the tutor-student ratio to 1:10.

**1:20 for classes by our Principal Mr Yang and Cikgu Hayati*

Comprehensive Programmes

Edufront offers the BEST education programmes, in almost all subjects, Primary and Secondary, at three convenient locations around Singapore. Each programme is headed by a Programme Director who leads a team of outstanding educators in ensuring high quality delivery of our programmes.

We Celebrate Our Students' Achievements

We celebrate the achievements of our students. Our proven and research-based pedagogies aim to maximise our students' potential and deliver excellent results within the shortest possible time.

Technology Enabled Learning

All our lessons are recorded and made available to students in the Learning Management System (LMS) for unlimited revision throughout the programme. They can also pose questions, take online quizzes and access soft copy of materials all in the LMS. Every student will be given a unique User ID and password to our LMS which they can access on the web or mobile app.

Flexibility of Physical & Online Classes

Due to the uncertainty brought about by Covid19, our classes are now offered physically at our 5 centres as well as Online via Zoom. In the event of LOA/QO/MC or centre closure due to Covid19, students can switch to online classes with minimal disruption to their learning.
