#### **[New] Malay (Karangan) Programme**

✂ Malay (Karangan) focuses largely on writing Malay composition, an elaboration of our Saya Boleh Mengarang workshop that we have been conducting in schools.  
✂ We do not provide karangan during the regular Malay class

#### **Maths Booster Programme**

Our Booster Classes help P6/P5 students revisit key P5/P4 topics and strengthen their foundation in preparation for the PSLE.

✂ Recommended for students scoring 60% and below, but open to all who want extra support.  
✂ Taken in addition to the regular class, providing twice the support each week.
